

Oral Health Facts

Prevention keeps your smile bright and your body healthy

One out of every two American adults age 30 or older has periodontal disease.

The mouth can be an important early-warning detection for more than **120 diseases**.

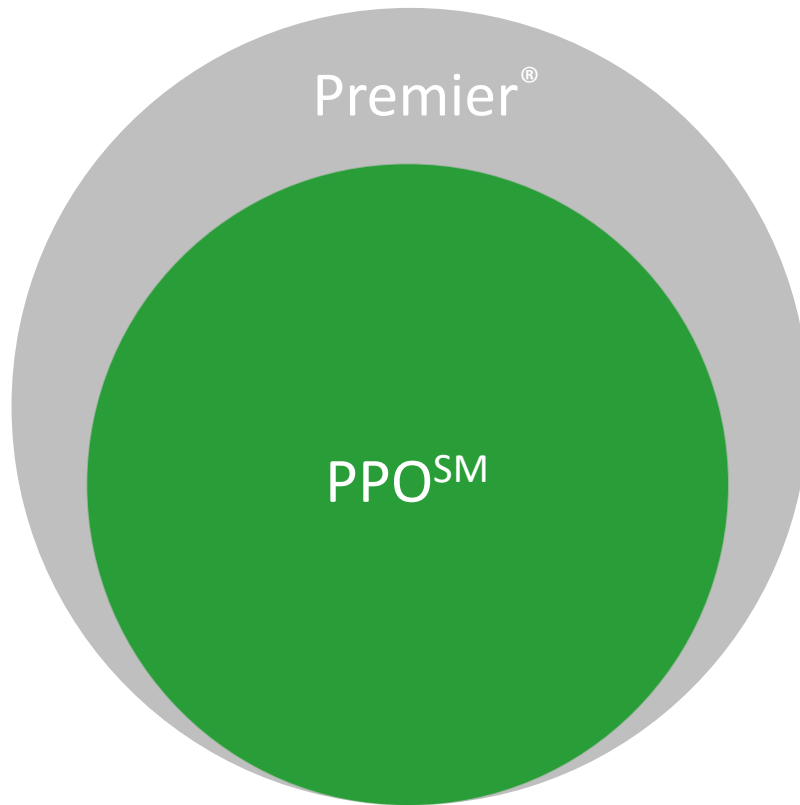

Tooth decay is the **single most common** chronic childhood disease.

More than **half of U.S. children** ages 5 to 9 have at least one cavity or filling.

Two Networks Working Together

PPO providers offer our members the greatest savings

Premier providers also accept discounted fees, however discounts are not as great as if you see a PPO provider.

When you see a **PPO or Premier** provider, you are **protected from balance-billing** for covered services

Delta Dental's dual network has more than **112,000 PPO** providers and **156,000 Premier** providers nationwide.

DELTA DENTAL

Using Your Dental Benefits

Online or On The Go, Delta Dental Makes Taking Care of Your Teeth Easy

Congratulations! You have a dental plan from Delta Dental of Colorado. It's so important to use your dental benefits because **your oral health is connected to your overall health**. Your dentist can spot the early signs of systemic diseases and can help you avoid painful and costly dental procedures in the future. So make dental care a priority.

- ▶ **CREATE A SUBSCRIBER ACCOUNT ON DELTADENTAL.CO.COM.**
You can check the specifics of your plan, the status of claims, and much more. To create a secure account, go to our homepage and click on the Members link and follow the prompts. If you need help setting this up, you can contact our customer service team.
- ▶ **DOWNLOAD OUR FREE MOBILE APP.**
Once you've created an account online, you can access all of the same information AND make an appointment with your dentist within the app.* To download and install the app on your device, visit the App Store (Apple) or Google Play (Android) and search for Delta Dental.
- ▶ **GO TO OUR WEBSITE OR MOBILE APP AND FIND A DENTIST NEAR YOU.**
Choose either a Delta Dental PPO** or a Delta Dental Premier** provider based on the plan you have. A Delta Dental PPO provider will always cost you less out of pocket, so search for one near you to get the greatest savings.
- ▶ **MAKE AN APPOINTMENT...AND SMILE!**
You're taking steps to protect your oral health and your overall health! Plus, preventive services — like cleanings and exams — are usually at no cost to you, so there's no reason to wait.**
